Man I think it's just a little sleazy  
You said you was like butter but you're cheesy  
To treat me like I'm spinner bait you can't wait  
Go fish off some other dock

Chorus

Hey, Mr. Brown, don't have a cow  
Just compensate me!  
Hey, Mr. Brown, don't have a cow  
Just compensate me!  
Hey, Mr. Brown, don't have a cow  
Just compensate me!  
You're gonna have to prove it to me

If I don't call you back your head spins  
If I told you what I think you'd shit your linens  
"It's just another interview, nothing new"  
But they don't even know my name

Chorus
