And I have dozens of promises
Fragrant spots in the monitor
So now (I) can keep my composure most times

And I'm not not falling apart
At the priceless points of the problems
And crumble only when prompted to now

I've braving the longest spring of my life

Tempted
When I get tempted to lie
I'm a responsible neophyte
I like a journey alright
And everyone gets what they want
Everyone gets what they want, all the time
Everyone gets what they want

Even Me
Even Me
Even Me
Even
