Summertime is here, that's how i like it
Girls, girls all around, you got me blinded

Take my hand i'll show you paradise
I wanna love you all night see the sunrise in your eyes
ooh tell me baby
(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays
(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays

Cause all i wanna do is make love to you
on a sunny day
on a sunny day

I've been watching you, shaking your body
You really turn me on girl
Got to make a move, tonight at the party
To make you think you're really special

Take my hand i'll show you paradise
I wanna love you all night see the sunrise in your eyes
ooh tell me baby
(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays
(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays

Cause all i wanna do is make love to you
on a sunny day (you drive me crazy)
on a sunny day

Now when we're all alone, i'm 'bout to loose control
I know what's on you're mind, ah ah
It's getting real freaky, you're all over me
but it is to risky wihtout protection

(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays
(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays

(would you) would you be mine on a summerday
(you could) You could you be mine for the holidays

Yes you and I haning out on a sunny beach
You and I on the beach getting naked
Yes you and I haning out on a sunny beach
You and I on the beach getting naked
