(Debbie Harry, Chris Stein)

Once I had a love  
And it was a gas  
It soon turned out  
He had a heart of glass  
Seemed like the real thing  
Only to find  
A bunch of mistrust  
Love's gone behind

Once I had a love  
And it was divine  
Soon turned out  
I was losing my mind  
Seemed like the real thing  
But I was so blind  
A bunch of mistrust  
Love's gone behind

In between  
What I find is pleasing  
And I'm feeling fine  
Love is so confusing  
There's no piece of mind  
If I fear I'm losing you  
It's just no good  
You teasing me like you do

Once I had a love  
And it was a gas  
It soon turned out  
That he had a heart of glass  
Seemed like the real thing  
Only to find  
A bunch of mistrust  
Love's gone behind

Lost inside  
A door of illusion  
And I cannot hide

I'm the one you're using  
Please don't push me aside  
We could have made it cruising, yeah

You're riding high  
Amongst your bluish lies
