Sisters, sisters  
There were never such devoted sisters,  
Never had to have a chaperone, No sir,  
I'm there to keep my eye on her  
Caring, sharing  
Every little thing that we are wearing  
When a certain gentleman arrived from Rome  
She wore the dress, and I stayed home  
All kinds of weather, we stick together  
The same in the rain or sun  
Two different faces, but in tight places  
We think and we act as one  
Those who've seen us  
Know that not a thing could come between us  
Many men have tried to split us up, but no one can  
Lord help the mister who comes between me and my  
sister  
And Lord help the sister, who comes between me and  
my man  
Sister and me and John  
I know deep inside your heart that you will feel the best  
intention  
Sister you will know  
You understand that in the far I'll always be you,  
the men will come and go  
All kinds of weather, we stick together  
The same in the rain or sun  
Three different faces, but in tight places  
We think and we act as one  
Those who've seen us  
Know that not a thing could come between us  
Many men have tried to split us up, but no one can  
Lord help the mister who comes between me and my  
sister  
And Lord help the sister, who comes between me and  
my man

Sister, who comes between me and my man
