Over and under we ride  
In love with the suicide  
Here we fuck with disaster  
And careful is something to hide

So come give this trick a try  
Push it faster you bastard  
And over this mountain you glide  
No, you're not gonna last if you can't push it past

Nicole, what's that you got?  
Is that a black turbo diamond back?  
A JMC racing bike?  
Man, I wish I had one like that

Nicole, you stole my soul  
With your cute little bunny hop  
Your radical table top  
Girl, I wished you would never stop  
Nicole, I was only ten years old

Shit, I left my cell phone at home, It's just a broken  
collar bone  
Walk it off, you big pussy, and get your ass back on the  
bike  
It's time to go lay some pipe or just watch me get nice  
I'ma school you on how to get high  
Then go home tell your friends how you bite all my  
style

Nicole, what's that you got?  
Is that a black turbo diamond back?  
A JMC racing bike?  
Man, I wish I had one like that

Nicole, you stole my soul  
With your cute little bunny hop  
Your radical table top  
Girl, I wished you would never stop

Nicole, you got this moto licked  
The Hutch kids are off the list

All the skyway's are being fixed  
Walky talkies and stolen shit

Nicole, Quadangle, P.K. Ripper, Webco and Mongoose  
[Incomprehensible]  
Nicole, I was only ten years old

Is there a love in your life 'cause I wanna be your wife  
It's a bird, it's a plane, it's a bicycle up in the sky  
You didn't say you could fly, now I know where I stand  
And I'm tired of life on the ground  
Lose my soul when I'm down up your ramp, I am found

Hey Nicole, what's that you got?  
Is that a black turbo diamond back?  
A JMC racing bike?  
Man, I wish I had one like that

Nicole, you stole my soul  
With your cute little bunny hop  
Your radical table top  
Girl, I wished you would never stop

Nicole, you got this moto licked  
The Hutch kids are off the list  
All the skyway's are being fixed  
Walky talkies and stolen shit

Nicole, Quadangle, P.K. Ripper, Webco and Mongoose  
[Incomprehensible]  
Nicole, I was only ten years old  
[Incomprehensible]
