I don't know why
It feels so different
It takes some time
Before I'm on my knees
I could pretend
To understand it
I see no end
To this confusion
Say what you say
Do what you do
It's no problem
Say how you'll be
Disguise it from me
It's no problem
Oh yeah
I don't know why
It feels so special
It takes no time
Before I'm on my head ???
Oh yeah
Say what you say
Do what you do
It's no problem
Say how you'll be
Disguise it from me
It's no problem
Say how you feel
So you can reveal
All of your problems
Say what you say
Do what you do
It's no problem
So much
So low ???
So up
So down
Say what you say
Do what you do
It's no problem
Say how you'll be
Disguise it from me

It's no problem
Say what you say
Do what you do
It's no problem
