Cough up the rent Mr. Kent
And don't try to blame it on the government
Your wife is a clown she's in town
She gets with some other guy

Are you gonna finish your fat?
'Cause I'd like to give it to my kitty cat
The big fat look is coming back
You skinny people are screwed

And I know you're right
Yeah, I know it's time

Here we go again, another hump 'em dump 'em
situation
Here we go again, another hump 'em dump 'em
situation
Here we go again, here we go again
Now I know what you're like and I don't think I like it

The newspaper says to get bent
Man I'd like to say that to the President
He got the L in the House
I guess he already did

She looks like she finished here fat
She then turned around and ate my kitty cat
She coughed up a hair ball or two
And laughed her way to the bank

And I know it's right
Yeah, I know it's time

Here we go again, another hump 'em dump 'em
situation
Here we go again, another hump 'em dump 'em
situation
Here we go again, here we go again
Now I know what you're like and I don't think I like it

Here we go again, another hump 'em dump 'em
situation

Here we go again, another hump 'em dump 'em
situation

Here we go again, here we go again

Here we go again, another hump 'em dump 'em
situation

Here we go again, another another another

Here we go again, here we go again

Here we go again, another hump 'em dump 'em
situation

Here we go again, another another another

Here we go again, here we go again

Here we go again, another hump 'em dump 'em
situation

Here we go again, another another another

Here we go again, here we go again

Now I know what you're like and I don't think I like it
