He's got the dirtiest shoes that I ever seen  
Chew on a blunt wipe his butt with a magazine  
Smokin' his crack wash it down with some gasoline  
Still he push the button, E.F.Hutton when he speaks to  
me

Oh you know he told me, shake it, don't break it  
It took too damn long to make it

Leroy is my mojo man  
Leroy is my mojo man  
He come, he take me by the hand  
'Cause Leroy is my mojo man tonight  
(Alright)

He's just a pimp with a limp and some Vaseline  
He told me to look over there, stole my nectarine  
Said, "Don't turn your back on me black, I'm a sex  
machine"  
Still he push the button E.F.Hutton when he speaks to  
me

Oh you know he told me, shake it, don't break it  
It took too damn long to make it

Leroy is my mojo man  
Leroy is my mojo man  
He come, he take me by the hand  
'Cause Leroy is my mojo man tonight  
(Alright)

Oh you know he told me, shake it, don't break it  
It took too damn long to make it  
Shake it, don't break it  
It took too damn long to make it  
Shake it, don't break it  
It took too damn long to make it  
Shake it, don't break it  
It took too damn long to make it

Leroy is my mojo man  
Leroy is my mojo man

He come, he take me by the hand  
'Cause Leroy is my mojo man

Leroy is my mojo man  
Leroy is my mojo man  
He come, he take me by the hand  
'Cause Leroy is my mojo man tonight  
(Alright)
