Hey There Mr.Marlboro Man
What you gonna do
when there's nobody left
but yer smoke choking self to abuse

Hey There Mr.C.E.O. Man
who you gonna be
When yer daughter and me
hop the first cheap flight to Fiji or Paris

There you go telling me how I feel again
There you go telling me what you need again
There you go telling me how to be again
Just like you, Ain't it true

Just like that nasty King Kong
Cock strong and half a block long
There weren't nothin' as strong
As the song that I wrote when you dissed me

Hey There Mr.Fraternity Boy
whatcha gonna say
When its time to admit
to yer family 'n' shit
That yer gay, anyway

Hey There, Mr.Head-in-the-clouds
You know what I found
Got the tape of the rape
and you ask how I found
How profound, pass around

CHORUS

And everythings alright
Leave it alone tonight
Everythings ok
Just tell yer Mom yer gay
