I am a wannabe  
You better be careful around me  
I come from far away where mustang dreams are  
made  
And we are fashioned in the image of the don's who  
have come before us  
We all kiss the rings of sand like our fathers told us

'cause i'm a wannabe gangstar better go back to  
commack  
I'm a wannabe gangstar better go back to commack  
I'm a wannabe gangstar better go back to commack  
better go back to far away

Like a lemon pie a la mode my nine is easy to load  
Aall hail jericho  
Turnpike teck  
That's where i go to learn the things about the universe  
i'll need  
So i can build a stamped  
'cause i'm all up in your face again i'm all up in your  
face

'cause i'm a wannabe gangstar better go back to  
commack  
I'm a wannabe gangstar better go back to commack  
I'm a wannabe gangstar better go back to commack  
better go back to far away

A wannabe gangstar a victim of the chromosome  
prankster  
I thanks ya i sits back in my chair to contemplate my  
hair  
Ooh damn i reak of cologne  
But yo i'm lookin' snappy i'm nappy i'm crappy got  
jimmy hats from pappy  
So now i'm trigger happy  
Girl did he just rhyme 'crappy' with 'happy'  
Yeah so you girlies wanna get wit this nit wit got cheese  
whiz or not  
Then i'm a hafta blow up ya mail box biatch  
Or toilet paper ya front yard show the cops my suburbs

card

They gotta let me go cause they know that i'm hard  
It's the deal it's for real ya betta listen to what i'm tellin'  
ya

'cause i'm a wannabe gangstar

'cause i'm a wannabe gangstar better go back to  
commack

I'm a wannabe gangstar better go back to commack

I'm a wannabe gangstar better go back to commack  
better go back to far away
