No soul baby  
I know that you never cared for me  
Look in the mirror its plain to see  
Don't need me round anymore  
So what's the score?  
Oh that night  
I had a dream of a sun so bright  
Those days you loved me and held me tight  
The sun it knows when you come  
It'll come to us all

Promises, promises  
Are you listening to me  
When I say  
What are you waiting for baby  
Just go on and let me down  
What are you waiting for baby  
Just go on and let me down

Now honey  
Why is it so hard to treat me right  
You push me down on the floor tonight  
Then kick me round like a whore  
What's it for?  
Oh suck phoney  
I bet on you with some bad advice  
This deal is done and the contract signed  
Now you got me by the balls  
Hang my head on the wall

Promises, promises  
Are you listening to me  
Did it mean anything?  
Say what are you waiting for baby  
Just go on and let me down  
Say what are you waiting for baby  
Just go on and let me down  
Say what are you waiting for baby  
Just go on and let me down  
Say what are you waiting for baby  
Just go on and let me down  
Wahoo, Wahoo ooh

Wahoo, Wahoo ooh
