Before I lay down at night
I get on my knees and pray
That you'll be the one for me
The one with me Every Day

OoOooOo..And when I close my eyes to sleep
I pray that my soul you'll keep
OoOooOo..And take me where the light shines high
above

If I had a wish for every spell (if I had a wish)
I'd cast on you, you knoe I'd be in heaven
Heaven could be the place on earth
If I had a wish that I would tell (I'll tell you)
That I love you and I'll be your man...That i'll be i'll be
your man

Each moment that Im with you
It seem that every day its brighter
Ohhhhh sooo bright
But in the still of the night
Your touch..Oh in order to make me feel so right..Ohhh
You know I wanna hold..yeah
You knoe I wanna hold you..In my arms (In my arms)
So let me touch you ohhh
I wanna press you and squeez you tight
So baby lets make love all through the night

If I had a wish for every spell
I'd cast on you, you knoe I'd be in heaven.....so you
knoe!!!
If I had a wish that I would tell....If I had a wish baby!!!
That I love you and I'll be your man...I'll let you knoe

OoOoOo...And when I close my eyes to sleep
You knoe I pray that my soul you'll keep...yeah
OoOoOo...And take me where the lighhhhhht..where the
light shinnnes oh yeah shinnnes
Highhhh

If I had a wish for every spell (if i had a wish)

I'd cast on you, you knoe I'd be in heaven (I will be in
heaven....oh yeah)
If I had a wish that I would tell (I will let you knoe)
That I love you and I'll be your man (Oh..how much I
love you and I'll be your man)

If I had a wish for every spell
I'd cast on you, you knoe I'd be in heaven
If I had a wish that I would tell
That I love you and I'll be your man
