high, like a diamond in the sky. Star light, star bright,  
the first star I see  
tonight. I wish I may, I wish I might, have the wish I wish  
tonight.  
Twinkle twinkle star how I wonder what you are. I have  
so many wishes to make,  
most of all this is what I state. For just one girl that I've  
been dreaming  
of, I wish that I can have all LOVE.  
I wish I may, I wish might, have the dream I dream  
tonight.  
Oh baby~  
Twinkle twinkle little star how I wonder what you are.  
I want a girl who'll be all mine. The one to say my guy...  
someone sweet  
that's for sure. I want to be that guy she's looking for.  
Oh no~ I wish I may,  
I wish I might, have the girl I wish tonight.  
Oh baby~  
Twinkle twinkle little star how I wonder what you are.  
Up above the world so high. Like a diamond in the sky.  
Star light, star bright, the first star I see tonight. I wish I  
may, I wish I  
might, have the wish I wish tonight.
