You're saying far too much
Your thoughts will twist and touch
You're killing time in your dark ???
That's coming down
Ah that's coming down
Ah

You are young and full of heart
You are real but you are torn apart

It's taking all my time
How many days to fight
Just staring up at the sun
That's coming down
Ah that's coming down
Ah

You are young and full of heart
You are wise and you are torn ???
You are real but torn apart
You are losing

You are young and full of heart
You are wise and you are torn ???
It looks like you but looks you may ???
You are real but you are torn apart
Ah
Ah
