So make it shine  
No need to fight  
Or make it hard on me  
Or make it glow  
No need to show you this time  
Or make it easy

And I know  
The sunlight bleaches you  
It colours everything you do  
And I know  
A flower fading far too soon

So think of a time  
That's something to cling to  
Imagine a light  
That never escapes you  
Conceived behind  
The colour above you  
A flower to hide  
A violet surprise

And I know  
The sunlight bleaches you  
It colours everything you do  
And I know  
A flower fading far too soon

And I know  
The sunlight bleaches you  
It colours everything you do  
And I know  
The sunlight bleaches you  
A flower fading far too soon
