You are every part of mr
And with every breath I take
Your love will light my way
And for every day I live
The promise that I made
Is I will never let you go babe

I swear I never knew love like this before
And for everything you are
I gotta make you know
For your love

And I'd give anything for your love
'Cause baby I'd never make it alone
Anf forever I'll stand by your side
I just gotta make you see yeah
I lonly live... for your love
When I was running out of faith
You still believed in me
And never let me fall
And the times I lost my way
You're the one who held me up
And brought me through it all

I swear I never saw it like this before
'Cause baby with your love you gave me
The reason to go on
And for your love

And I'd give anything for your love
'Cause baby I'd never make it alone
Anf forever I'll stand by your side
I just gotta make you see yeah
I lonly live... for your love
When I was running out of faith
You still believed in me
And never let me fall
And the times I lost my way
You're the one who held me up
And brought me through it all

And everything I am
And all that I could be
Would mean nothing now
If you're not with me
Shinin' your light on me
When night is closen' in
When I was weak
You were the one who made me strong
you gave me faith to carry on

And I'd give anything for your love
'Cause baby I'd never make it alone
Anf forever I'll stand by your side
I just gotta make you see yeah
I lonly live... for your love
When I was running out of faith
You still believed in me
And never let me fall
And the times I lost my way
You're the one who held me up
And brought me through it all
