Ooh, yeah, yeah, yeah  
Ooh

Last night I saw you  
As I stood in the rain  
Brought me right back  
To that feeling again  
I tried to hide the  
Tears in my eyes  
But you didn't see  
As you walked on by

Tried to forget you  
I tried to move on  
But the deeper I feel it  
The harder I fall  
Nothing else matters at all  
Let me tell you

Chorus:  
You don't what love is  
Till you lose it  
You don't know what love is  
Till it slips away  
Leaves you alone in the dark  
Takes you and tears you apart  
You don't know what love is  
Till it breaks your heart

Till it breaks your heart

Sometimes I think back  
When our love was new  
The crazy things  
That we used to do  
How could a love that's so right  
Turn to something so wrong  
I still can't believe  
That you're really gone.

I wish I could stop all these

Thoughts in my head  
I wish I could take back  
Those words that I said  
It's a lesson I'll never forget  
Let me tell you

Chorus

Ooh, yeah

Love has no season  
No beginning or end  
No rhyme or reason  
To the way the story ends  
No way of knowing  
How a broken heart mends  
Still we keep falling  
Time and time again

Chorus

Till it breaks your heart Ooh Till it breaks your heart
