Well darling, I see you

From across the room

And men cling to you

Like soup to a spoon

But you don't look hungry

And they won't feel full

They roll in your thunder

But I never will

'Cause I've got too much pride

To stand here in this line for you

Darling, I agree

That men are pigs

And beauty contests

They're all rigged

So smash all your mirrors

And look into me

'Cause you're the most beautiful thing

That I'll never see

'Cause I've got too much pride

To stand here in this line for you

Yes, I do, yes, I do

Yes, I do, yeah, yes, I do

Summer in the driving rain

I'll never see your face again

The only thing I wish to say

I love you always

Summer in the driving rain

I'll never see your face again

The only thing I wish to say

I love you always

Summer in the driving rain

I'll never see your face again

The only thing I wish to say

I love you always
