"Take It Slow"

I know your type
You work hard, think right
I know my type
I've been hurt tonight.
Step on my tired feet while so indiscreetly
Takes off my shoes while I sleep
I'll say thank you,
Thank you for my vices and my bitterness.
Take it slow tonight
Kill me slower, I'm tired

Still trade
Skilled craft
Above all you know that
You know I'm trapped
You've caged me, I fall back

Take it slow tonight
Kill me slower, I'm tired
Take it slow tonight
Kill me softer, I'm tired

I'm tired
I'm tired
Of all the games you play
We could try
Or could not
Be afraid
'Cause I might try

Meet me in between
Meet me in between
Meet me in between
Yeah yeah
Meet me so I can be
