I know people , the criminal that u used to  
Move smart, can't be in the cell all cooped up  
Careful when I move stuff, see how I maneuver  
I'm about to slip bro, never be a looser  
Music like drugs and the fans is my uses  
Sample are this dopes trying to get these new abusing  
One for the sniffers in, one for the shooters  
Stone , look in the eyes of Medusa  
Till the same , biggy at pushes the future  
Main drop by hater the team read or moved up  
Still will hit the streets and blame me at your poop was  
Put your whole plan at the white, she's like the Ku Klux  
Black flag, black ,, black man, , chest shot , disrespect  
we will not have  
They got mad to flow nasty like a , well fuck that  
nigger show us where the , at

Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
That is how the gang go ducking for your plans though  
Dollar put your money in the bank yo

I think like a radical, move just like a militant  
But never niggers see me they ,  
Bitches think I'm sexy, in the streets say I'm criminal  
People think I'm crazy the haters ,  
Who you think they killers and real niggers gonna listen  
to  
They know that I'm a hundred and none of ya all  
believable  
Kill competition, I got them just by a landslide  
They ain't fucking with me like stepping on to a  
landmine,  
Boom, black bandanas in the room, I speak for the  
thugs that , every goon  
I run with the vultures to prove that I'm a soldier  
I don't claim a set but I , to gain culture

What did you expect when you niggers flirting with  
death  
You can see it my way or see the front of my ,  
It's a movement, one wrong move get your brain split  
It's not too hard

Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
That is how the gang go ducking for your plans though  
Dollar put your money in the bank yo

My young broad telling me I need to go out more  
No time, trying to be bigger than all outdoors  
This is drought right now waiting on the town ,  
I'm about my paper little lady, you're about yours  
Got a couple rap dollars but I'm trying to count more  
In the street fight funny, had to go south ,  
It's a new era, got the same cap ,  
Married to the streets my in-laws is outlaws  
Later while blunt to the homies that stunt  
,Shawty that take trip rides with the broads  
Ain't got no kind of love for the rights and the snitches  
I can't stand a witness, let's go from bad to righteous  
Stay focus , said the pictures  
Then we'll come later what matters is the business  
Follow me homie, I ain't breathing shit there  
And you can grab everything that's on your wish list

Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
Fastest how they , what you think would , for  
Dollar put your money in the bank yo  
That is how the gang go ducking for your plans though  
Dollar put your money in the bank yo.
