[singer playing piano]

Precious Lord...take myyyyyy-hiiii my haaaaand...

Leaaaaaad me on...let meeeee, let me stand

and I-hiiiiiiiiigh-iiiiii am tired

and iiiiiiiiiiii... and weak...

I-iiiiiiiiii am worn-

ohhohooohooohoOOOHOOHOHOHOHOWWOWOOHHH....

[Verse One]

Street child {?} in Moscow, in Russia

I'll rush ya, plans to pollute a city

My format pull four flat, like man holds in pitfalls

Pit bulls called through barks, blunts get sparked

To ease on down the tension, headbanging

box, Bronx big Willie, Los like Angeles

Scandalous street slaves, dark Carlway Caves

is where my apartment lays; a project doors

ripped off the hinges, mommy dearest arrested

in a drug bust, toilet sky flush

crack head lust - down the drain

Greenback's a must, thought I gotta maintain

in this hot land, I stand alone as a man

Who cares who hearts cries, took over drug spots

where dad died

Pass the .45....to the death, lye...

[Chorus]

Precious Lord, take my hand

Lead me on and let me stand

Precious Lord, take my hand

Lead me on and let me staaaand...

Let me staaaaaand...

[Verse Two]

It's to 'til death kid, my heart beats strong for riches

Tryna keep it sane as I play the world's game

It's the, last year of my high school affairs

Sometimes I look back in tears, for all the years

it took to clear; but anyway plans is made

I gotsta blow up and fast, like the bomb in a sixth train

blast

that's how bad I fiend, cash is on my mind kid  
I wanna live my whole life reclined  
Makin phone calls from cellualars, payin car notes to  
boats  
Sittin back while I sip on floats, as I work the network  
That's how I want my days to pass and times to last  
So I meditate on which way I'll take, which door should I  
choose  
or which path will lead me to a pock' fulla jewels; fools  
can only miss it  
But yo I grip it to the DEATH when I get it

[Chorus]
