Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

She was a wide-eyed girl
Mm, with a figure that belonged on a magazine
And now she come and try to take away my man from
me
Mm, with a pussy that she brought with her from
overseas

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

She was a wide-eyed girl
Mm, with her lips as sweet as a tangerine
But only Lord knows why she'd wanna fuck with me
I'm bringing her to a house that I've been keeping clean

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????
But the dirty little motherfucker won't let go

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????

She was a wide-eyed girl
Mm, with a long-ass legs and a supple breast
And now she try to take my man from underneath my
nest

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

Mm, I brought her here on some sort of vision quest

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????
But the dirty little motherfucker won't let go

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????

She set the night on fire
She's all these thoughts like a pacifier
She wants her legs much higher
But if she gets too close then she's gonna expire

[Sexual noises]

She was a wide-eyed girl
Mm, with a figure that belonged on a magazine
And it's OK if she takes a little out on me
Mm, with a pussy that she brought with her from
overseas

Je suis oh-so-hot
Vous-voulez my twat?
S'il vous plait

French bitch
You're wasting your time

Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????
But the dirty little motherfucker won't let go

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????

French bitch
You're wasting your time
Saw my man, so she felt the need to scratch an itch
You've given her a penny and you've given her a ????
But the dirty little motherfucker won't let go

French bitch
You're wasting your time
