Ain't no personal thing, boy
But you've got to stay away
Far, far away from my heart, my heart
Don't you know what your kiss is doing
Let me tell it to you from the start, boy

I don't wanna fall in love
Love cuts just like a knife
You make the knife feel good
I'll fight you to the end, baby

You've been hanging around, boy
And you have started sinking in
Whoa baby, you're way out of line now
Unaware how this all got started
Let me tell it to you one more time, boy

I don't wanna fall in love
Love cuts just like a knife
You make the knife feel good, baby
I'll fight you to the end

I learned something about myself
Last night with you I knew
I didn't want nobody else
And you're scaring me to death now baby

Woo!
Hey!

I don't wanna fall in love, no
Love cuts just like a knife, woo-o
You make the knife feel good, baby
I'll fight you to the end, wo!

Yeah!

I don't wanna fall in love, no
Love cuts just like a knife, woo-o
You make the knife feel good, baby
I'll fight you to the end

I don't wanna fall in love
Don't wanna fall in love, no
I don't wanna fall in love...
