Bird flying high
You know how I feel
Sun in the sky
You know how I feel
Breeze drifting on by
You know how I feel, ooh
It's a new a dawn
And a new day
And a new life for me
And I'm feeling good
So good, yeah

Fish in the sea
You know how I feel
Winter's running free
You know how I feel
Blossom on the tree
You know how I feel, ooh
It's a new a dawn
And a new day
And a new life for me
And I'm feeling good
So good
So good

Dragonfly out in the sun
You know what I mean
Don't you know?
Butterflies all having fun
You know what I mean
Sleep in peace when day is done
That's what I mean
And this old world
Is a new world
And a whole world for me
For me

Stars when you shine
You know how I feel
Scent of pine
You know how I feel

Oh Freedom is Mine
And I know what I feel
It's a new dawn
And a new day
And a new life for me
And I'm feeling...
Oh...
I'm feeling good
ah.... Come on....
good....good...

You know how I feel
You know how I feel
You
You know how I feel
Feeling good
I'm feeling good
I'm feeling good
Feeling good
Feeling good
It's a new dawn
It's a new day
It's a new life for me
