I don't think I want this anymore,
As she drops the ring to the floor
She says to herself
You've left before
This time you will stay gone, that's for sure
And he shattered something else,
She dragged her suitcase down the path,
To the driveway she had never gone that far
Normally this would be the time,
That she would let him talk her out of leaving,
But this time without crying,
As she got into her car, she said

No happily never after, that just ain't for me,
Because finally
I know I deserve better after all,
I'll never let another teardrop fall

As she drove away, she starts to smile
Realize she hadn't for a while,
No destination she drove for miles
Wondering why she stayed in such denial
Laughing about the way he shattered something else,
She dragged her suitcase down the path,
To the driveway she had never gone that far,
Normally this would be the time,
That she would let him talk her out of leaving,
But this time without crying,
As she got into her car, she said

No happily never after, that just ain't for me,
Because finally
I know I deserve better after all,
I'll never let another teardrop fall

I'm done, I'm done
Said I'm so done
I'm so done
I'm so done

I'm free, I'm free

Said I'm so free
I'm so free
I'm so free

She inhaled a breath, she'd never breathe before,
Didn't want no drama no more, and she said

No happily never after, that just ain't for me,
Because finally
I know I deserve better after all,
I'll never let another teardrop fall ooh, no ooh

No happily never after, that just ain't for me,
Because finally
I know I deserve better after all,
I'll never let another teardrop fall...
