I never needed you to be strong
I never needed you for pointing out my wrongs
I never needed pain, I never needed strain
My love for you was strong enough, you should have known

I never needed you for judgements
I never needed you to question what I spent
I never ask for help, I take care of myself,
I don't know why you think you've got a hold on me

And it's a little late for conversations
There isn't anything for you to say
And my eyes hurt, hands shiver,
So look at me and listen to me because

I don't want to, stay another minute
I don't want you, to say a single word
Hush hush, hush hush
There is no other way, I get the final say because,
I don't want to, do this any longer
I don't want you, there's nothing left to say
Hush hush, hush hush
I've already spoken, my heart is broken
Baby, hush hush

I never needed your corrections
On everything from how I act to what I say
I never needed words
I never needed her
I never needed you to be there everyday

I'm sorry for the way I let go
Of everything I wanted when you came along
But I am never beaten, broken and defeated
I know next to you is not where I belong

And it's a little late for explanations
There isn't anything that you can do
And my eyes hurt, hands shiver,
So you will listen when I say

Baby

I don't want to, stay another minute
I don't want you, to say a single word
Hush hush, hush hush
There is no other way, I get the final say because
I don't want to, do this any longer
I don't want you, there's nothing left to say
Hush hush, hush hush
I've already spoken, our love is broken
Baby, hush hush

First I was afraid, I was petrified
Kept thinking I could never live without you by my side
But I spent oh so many nights thinking how you did me
wrong
But I grew strong, I learned how to carry on
Ooohhh...

Hush hush, hush hush
I've already spoken, our love is broken baby
Oh no, not I
I will survive
Ohh as long as I know how to love I know I'll stay alive
I've got all my life to live, I've got all my love to give
And I will survive, I will survive
Hey Hey

Hush hush, hush hush
There is no other way, I get the final say,
I don't want to, do this any longer
I don't want you, there's nothing left to say
Hush hush, hush hush
I've already spoken, my heart is broken
Baby, hush hush
