I never needed you to be strong
I never needed you for pointing out my wrongs
I never needed pain, I never needed strain
My love for you is strong enough you should have
known
I never needed you for judgment
I never needed you to question what I spend
I never ask for help
I take care of myself
I don't know why you think you got a hold on me

And it's a little late for conversations
There isn't anything for you to say
And my eyes hurt, hands shiver
So look at me and listen to me because

I don't want to stay another minute
I don't want you to say a single word
Hush hush
Hush hush
There is no other way, I get the final say
Because
I don't want to, do this any longer
I don't want you, there's nothing left to say
Hush hush
Hush hush
I've already spoken, our love is broken
Baby hush hush

I never needed your corrections
On everything from how I act to what I say
I never needed words I never needed hurts
I never needed you to be there everyday
I'm sorry for the way I let go
From everything I wanted when you came along
But I am never beaten, broken not defeated
I know next to you is not where I belong

And it's a little late for explanations
There isn't anything that you can do
And my eyes hurt, hands shiver

So you will listen when I say baby!

I don't want to stay another minute
I don't want you to say a single word
Hush hush
Hush hush
There is no other way, I get the final say
Because!
I don't want to do this any longer
I don't want you there's nothing left to say
Hush hush
Hush hush
I've already spoken, our love is broken
Baby hush hush

No more words
No more lies
No more crying

No more pain
No more hurt
No more trying

I don't want to stay another minute
I don't want you to say a single word
Hush hush
Hush hush
There is no other way, I get the final say
Because!
I don't want to, do this any longer
I don't want you, there's nothing left to say
Hush hush
Hush hush
I've already spoken, our love is broken
Baby hush hush
