I see you looking at me  
Like I got something for you  
And the way that you stare  
Don't you dare  
'Cause I'm not about to  
Just give it on up to you  
'Cause there are some things I won't do  
And I'm not afraid to tell you  
I don't ever want to leave you confused

The more you try  
The less I bite  
And I don't have to think it through  
You know if I'm into you

I don't need a man to make it happen  
I get off being free  
I don't need a man to make me feel good  
I get off doing my thing  
I don't need a ring around my finger  
To make me feel complete  
So let me break it down  
I can get off when you ain't around  
Oh!

You know I got my own life  
And I bought everything that's in it  
So if you want to be with me  
It ain't all about the bling you bringing  
I want a love that's for real  
And without that then no deal  
And baby I don't need a hand  
If it only wants to grab one thing

The more you try  
The less I bite  
And I don't have to think it through  
You know if I'm feeling you

I don't need a man to make it happen  
I get off being free

I don't need a man to make me feel good  
I get off doing my thing  
I don't need a ring around my finger  
To make me feel complete  
So let me break it down  
I can get off when you ain't around

(4Ñ...)  
Let it go  
Let it go  
Let it go  
Let it go

I don't need a  
I don't need a man, I don't  
I don't need a man  
I'll get me through  
'Cause I know I'm fine  
I feel brand new

I don't need a  
I don't need a man, I don't  
I don't need a man  
I'll make it through  
'Cause I know I'm fine  
Without you!
