Pick a card, any card, that's what he told me
I took it to Rodeo and it worked like magic for me
Spa massage, I'm at the Bellag
His 'n Hers, Flying Spurs, automatic garage

Shoot, and I'm charming, gold charm on the chain
Don't hate me hate the game (Baby na-na na-na)
Shoot, and I can wave my wand and like that now we all
alone

Just like that you're mine
Like magic magic magic
With just one wink of an eye
Like magic magic magic
You know I caught you by surprise
Like magic magic magic
Won't be the same after tonight
Like magic magic magic
Like magic
Baby na-na na-na

Now you see, now you don't
I got this trick to show ya
Disappear when he act up on ya
'For you know it he'll be right back on ya
Juicy Coutures and Nanette Lepores
Turning back, slow the 'Vette, Valet lift up the door

Shoot, and I'm charming, gold charm on the chain
Don't hate me hate the game (Baby na-na na-na)
Shoot, and I can wave my wand and like that now we all
alone

Just like that you're mine
Like magic magic magic
With just one wink of an eye
Like magic magic magic
You know I caught you by surprise
Like magic magic magic
Won't be the same after tonight
Like magic magic magic

Just like that you're mine
Like magic magic magic
With just one wink of an eye
Like magic magic magic
You know I caught you by surprise
Like magic magic magic
Won't be the same after tonight
Like magic magic magic

Baby na-na na-na
Baby na-na na-na

Abracadabra, I've got to have ya
He don't realize what were doin'
Hypnotized by illusions in the club
Abracadabra, I've got to have ya
Stress your eyes, pay attention, blow your mind
When I get you out the club
Gonna wave my hand tonight,
Make him my man tonight

Shoot, and I'm charming, gold charm on the chain
Don't hate me hate the game
Shoot, and I can wave my wand and like that now we all
alone

Just like that you're mine
Like magic magic magic
With just one blink of an eye
Like magic magic magic
You know I caught you by surprise
Like magic magic magic
Won't be the same after tonight
Like magic magic magic

Just like that you're mine
(You're mine, you're mine, you're mine)
Like magic magic magic
With just one wink of an eye
(You're mine, mine, mine)
Like magic magic magic
You know I caught you by surprise
(Surprise, surprise)
Like magic magic magic
Won't be the same after tonight
(Tonight, tonight, tonight)
