I don't wanna go another day
So I'm telling you, exactly what is on my mind
Seems like everybody is breaking up
And throwing their love away
But I know I got a good thing right here
That's why I say (Hey)

Nobody gonna love me better, I must stick wit u forever
Nobody gonna take me higher, I must stick wit u
You know how to appreciate me, I must stick wit u, my
baby
Nobody ever made me feel this way, I must stick wit u

I don't wanna go another day
So I'm telling you, exactly what is on my mind
See the way we ride, in our private lives
Ain't nobody gettin' in between
I want you to know that, you're the only one for me (one
for me)
(What I'm sayin' is)

Nobody gonna love me better, I must stick wit u forever
Nobody gonna take me higher, I must stick wit u
You know how to appreciate me, I must stick wit u, my
baby
Nobody ever made me feel this way, I must stick wit u

And now, ain't nothing else I can need
And now, I'm singing 'cause you're so, so into me
I got you, we'll be making love endlessly
I'm with you (baby I'm with you)
Baby you're with me (baby you're with me, higher)

So don't cha worry about
People hanging around
They ain't bringing us down
I know you, and you know me
And that's all that counts
So don't cha worry about
People hanging around
They ain't bringing us down

I know you, and you know me
And that's, that's why I say (Hey)

Nobody gonna love me better, I must stick wit u forever
Nobody gonna take me higher, I must stick wit u (come on)
You know how to appreciate me, I must stick wit u, my baby
Nobody ever made me feel this way, I must stick wit u

Nobody gonna love me better, I must stick wit u forever
Nobody gonna take me higher, I must stick wit u
You know how to appreciate me, I must stick wit u, my baby
Nobody ever made me feel this way, I must stick wit u
