Sometimes I feel I've got to  
Run away I've got to  
Get away  
From the pain that you drove into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn I can't sleep at night

[Chorus]

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Oh... tainted love  
Tainted love

Now I know I've got to  
Run away I've got to  
Get away  
You don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you'll think love is to pray  
But I'm sorry I don't pray that way

[Chorus]

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a girl could give you  
Take my tears and that's not nearly all  
Oh... tainted love  
Tainted love

Don't touch me please  
I cannot stand the way you tease  
I love you though you hurt me so  
But I'm goin' to pack my things and go,  
Tainted love

Tainted love  
Tainted love  
Tainted love...

Baby, baby (baby, baby)  
Baby don't leave me (ah!)  
Oooh, please don't leave me (ah! Baby, baby)  
All by myself (ah! Baby, baby, ooh baby, baby)  
I've got this burnin', yearnin', yearnin' (ah! Baby, baby)  
Feelin' inside me (ah!)  
Ooohh deep inside me (ah! Baby, baby)  
And it hurts so bad (Ah! Baby, baby, ooh baby, baby)  
You came into my heart (ah! Baby, baby)  
So tenderly (ah!)  
With a burning love (ah! Baby, baby)  
That stings like a bee (ah! Baby, baby, ooh baby, baby)  
Now that I've surrendered (ah! Baby, baby)  
So helplessly (ah! Where did our love go?)  
You now wanna leave (ah! Baby, baby)  
Ooh you wanna leave me (ah! Baby, baby, ooh baby,  
baby)  
Ooh baby, baby (ah! Baby, baby)  
Where did our love go? (ah!)  
Oh don't you want me (ah! Baby, baby)  
Don't you want me no more...
