

Pussycat Dolls, The "Top Of The World"

Visit "[Top Of The World](#)" on MotoLyrics.com

Gimme them bright lights, long nights
High rise, overtime (Pussycat Dolls)
Gimme them bright lights, long nights (Party till the sun
is rising)
High rise, overtime (Working till the moon is shining)
Hot guys, fly girls (Never gonna say it)
I feel on top of the world, I feel on top of the world
Hey

I'm ready for the pressure
The drama and the pleasure
Got my whole life here in front of me
I'm taking over when I hit the streets

Glamour, glitter and gold
Nothing is stopping you, nothing is stopping me
This frenzy is outta control
I must stay in pursuit, do what I gotta do

Gimme them bright lights, long nights (Party till the sun
is rising)
High rise, overtime (Working till the moon is shining)
Hot guys, fly girls (Never gonna say it)
I feel on top of the world, I feel on top of the world
Hey

It's like a rollercoaster
One step away I'm closer
I can see it there within my reach
Won't let the city get on top of me

Glamour, glitter and gold
Nothing is stopping you, nothing is stopping me
This frenzy outta control
I must stay in persuit, do what I gotta do

Gimme them bright lights, long nights (Party till the sun
is rising)
High rise, overtime (Working till the moon is shining)
Hot guys, fly girls (Never gonna say it)
I feel on top of the world, I feel on top of the world

Hey

I can do it on my own (Nothing can stop me)
They can place my home (Can't slow me down)
The only thing I know (Is that I won't fall)
And I have it all

Gimme them bright lights, long nights
High rise, overtime (Working till the moon is shining)
Hot guys, fly girls (Never gonna say it)
I feel on top of the world, I feel on top of the world

Gimme them bright lights, long nights (Party till the sun
is rising)
High rise, overtime (Working till the moon is shining)
Hot guys, fly girls (Never gonna say it)
I feel on top of the world, I feel on top of the world,
Hey!

Gimme them bright lights, long nights (Pussycat Dolls)
High rise, overtime
Hot guys, fly girls (Never gonna say)
I feel on top of the world, I feel on top of the world
Hey!
