Boys call you sexy,  
and you don't care what they say  
See everytime you turn around  
you saying my name  
Just call you sexy  
and you don't care what they say  
See everytime you turn around  
you screaming my name

Now I got a confession  
When I was young I wanted attention  
an I promised myself that I'd do anything  
anything to get men to notice me

But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say  
You know what it's like to be famous  
When everybody know what your name is  
Cause see when I was younger I would say

When I grow up I wanna be famous, I wanna be a  
star, I wanna be in movies  
When I grow up I wanna see the world, drive nice cars, I  
wanna have boobies  
When I grow up, I wanna see me, me on TV, people  
know me,  
be on magazines  
When I grow up, fresh and clean, number one chick,  
wanna step out on the scene

But be careful what you wish for cause  
you just might get it  
But be careful what you wish for cause  
you just might get it

They used to tell me I was fooling,  
until I popped up on the TV  
I always wanted to be a superstar,  
who knew singing songs would get me this far

But I ain't complaining  
We all wanna be famous  
So go ahead and say what you wanna say  
You know what it's like to be famous  
When everybody know what your name is  
Cause see when I was younger I would say

When I grow up I wanna be famous, I wanna be a  
star, I wanna be in movies  
When I grow up I wanna see the world, drive nice cars, I  
wanna have boobies  
When I grow up, I wanna see me, me on TV, people  
know me,  
be on magazines  
When I grow up, fresh and clean, number one chick,  
wanna step out on the scene

But be careful what you wish for cause  
you just might get it

But be careful what you wish for cause  
you just might get it

Yes I'm astounding me,  
I'm a trend setter,  
yes this is true  
cause what I do no one can do it better  
You can talk about me  
cause I'm a hot 'sup bitch  
I see you watchin' me watchin' me  
and I know you want it

When I grow up I wanna be famous, I wanna be a star, I  
wanna be in movies  
When I grow up I wanna see the world, drive nice cars, I  
wanna have boobies  
When I grow up, I wanna see me, me on TV, people  
know me,  
be on magazines  
When I grow up, fresh and clean, number one chick,  
wanna step out on the scene

But be careful what you wish for cause  
you just might get it

But be careful what you wish for cause  
you just might get it

When I grow up I wanna be famous, I wanna be a star, I  
wanna be in movies  
When I grow up I wanna see the world, drive nice cars, I

wanna have boobies  
When I grow up, I wanna see me, me on TV, people  
know me,  
be on magazines  
When I grow up, fresh and clean, number one chick,  
wanna step out on the scene

But be careful what you wish for cause  
you just might get it

But be careful what you wish for cause  
you just might get it
