Do not apply your thoughts in here,  
Let the camera do the thinking, dear,  
You look so hot on a video,  
A far cry from a New York peep show.

Can you mother fuckin' relate?  
Can you mother fuckin' relate?  
Relate,  
Can you mother fuckin' relate?

Twinkle twinkle little porno star,  
Do you know how lucky you are?  
Twinkle twinkle little porno star,  
Now show me how you got this far.

You psycho out on ecstasy,  
Now you don't know who you wanna be,  
A sex machine, every day,  
What does it take to get ya all the way?

Twinkle twinkle little porno star,  
Do you know how lucky you are?  
Twinkle twinkle little porno star,  
Now show me how, you got this far.

My little porno star,  
My little porno star,  
My little porno star,  
My little porno star.

Can you mother fuckin' relate?  
Can you mother fuckin' relate?

Twinkle twinkle little porno star,  
Do you know how lucky you are?  
Twinkle twinkle little porno star,  
Now show me how, you got this far.

My little porno star,  
My little porno star,  
My little porno star,

My little porno star.
