Sometimes I wonder if, if I know where I'm going  
I go for a walk like this  
And it seems I have been walking for years and years  
and years  
And I don't know where I'm going  
I hear the sound leading me on  
And I don't know where it is taking me

Sometimes I feel as if I'm getting closer  
Like now  
Yes, I am getting closer  
It is  
The sound is getting louder

Sometimes I wonder if, if I know where I'm going  
I go for a walk like this  
And it seems I have been walking for years and years  
and years  
And I don't know where I'm going  
I hear the sound leading me on  
And I don't know where it is taking me
