Va pensiero sull'ali dorate

Cross the mountains

Then fly over the oceans

Reach the land find the place

Where all children go

Every night after listening to this lullaby

There you'll find

Their heroes alive

Protecting their innocents

Bless them all

'Cause their simple soul

Is so pure and wonderful

Va pensiero sull'ali dorate

Let this beautiful dream carry on

For all night long

Lend them your golden wings

Every fear will fly away

Take them by the hand

Help them find an easy way

Lead them back to the light,

Back to the light

Where they once used to belong

Where they can remain

Children as long as they want

Va pensiero sull'ali dorate

Cross the mountains

Then fly over the oceans

Reach the land find the place

Where all children go

Every night after listening to this lullaby

Every night after listening to this lullaby
