Chorus

Among the stars
The Lord has written your name
Among the stars
In His house way up high
Among the stars
The Lord loves your life
Among the stars
Close to Him in paradise

The night when the Lord wished for you
The night, the night when two lovers
gave you life
The night when out of love God
gave you life
Oh bless the night!
Chorus

The day when the Lord
redeemed you
The day
The day when He made you
His child always
The day when your heart
Stayed with the Lord
Bless the day!
Chorus

The evening when the Lord
called your name
The evening
The evening when you've grown old
and you depart this world
The evening when you return
Your spirit transformed
Bless the evening!
Chorus
