My little inspiration is You oh Lord  
Your happiness melts in my heart  
My little inspiration is You oh Lord  
You fill me with happiness  
The meadows all offer me a thousand  
flowers  
All the Clairs de Lunes have heart shaped  
lips  
The city streets all smile at the sun  
All of man's joys are the color of heaven  
The stars all wink their eyes at me  
The rainy days have all stopped mourning  
All the evenings fall asleep  
to the lullaby of the birches  
All the mornings drink of Your May wine.
