Chorus

Put on your pretty skirt my soul
We have a date, we have a date
Put on your pretty skirt my soul
The Lord you love is waiting for you

In the early morning hours
When the dew is on the rose
A small gift of Your love
And I am satisfied!
Chorus

When noon is full of wonder
It's a joy to be alive
I feel golden in the sun
of a friendship close and warm
Chorus

Among the twilight stars
When You are all around
You make me fall asleep
In the peace of your arms
