Love You So Much (It Hurts)

Chorus:

I wish that I could tell you
Just how much I love you
I wish that I could tell you
I love you so much it hurts

But mi can't see yuh now
And it a mad mi
Mi can't see yuh now and it grieve mi!
And mi wondering why fi do
How fi get over yuh
'cause everything mi try won't work
Yuh know how many times mi try fi show yuh
Yuh know how many times mi think yuh love mi too
But each day mi realize is just a dream
'cause everyday is a day on dead-end street

Chorus:

When mi see yuh mi feel real happy
Run come give yuh love to me

Thinking of you from day to day
Wondering if you feel de same way
'ca mi don't know why mi woulda do
If yuh nuh love mi too
'cause mi never meet another like you
So mi have fi mek a start
How fi get in yuh heart
For without yuh mi life is miserable
Yuh know how mi find yuh desirable
