There Is A Tomorrow

This is telling all the children out there
There is a tomorrow so don't destroy yuh life today
There is a tomorrow so don't just waste yuh life away

Though trials come your way everyday
Remember yuh shouldn't have fi go astray
You might feel no hope fi de future
Work hard and things will get better
Don't let the struggle for survival
Cause you fi turn in a criminal
And everyone see you as a lethal weapon
This shouldn't be de situation

Remember
There is a tomorrow so don't destroy your life today
There is a tomorrow so don't just waste your life away

The reality of life might cause you fi lose yuh
innocence
That shouldn't mek you do nutt'n fi rub a sentence
Why resort to violence?
Realize de value of another life
Realize de value of your life
And live it free from brutality, why be involved in
criminal activity?
Now everyone see yuh as a lethal weapon
This shouldn't be yuh recreation

There is a tomorrow so don't destroy your life today
There is a tomorrow so don't just waste your life away

Stay in school and get a good education
Gambling and carrying a gun won't mek you a
responsible human
So you want fi leave yuh mark pon society?
But mek it some'n whey benefit everybody
'Cause remember, you are precious children
So why behave like any heathen?
And everyone see yuh as a lethal weapon

Don't let this be yuh ambition

Remember

There is a tomorrow so don't destroy yuh life today

There is a tomorrow so don't just waste yuh life away

There is a tomorrow so don't destroy yuh life today

There is a tomorrow so don't just waste yuh life away.
