(Cornwall)

I'd be rockin' with the Dinos

Swingin' with the Rhinos

I could dragonize this cave in a minute!

CORNWALL!

They would sing cuz i would be the dragon king

I would love this world without you in it!

If i didn't have you!

(devon)

if you didn't have me?

(cornwall)

if i didn't have you!

(devon)

or how about if i didn't have you huh?

(both)

O what i could be if there was only me

o what i'd do if i didn't have you

(kayley)

STOP BICKERING AND GET YOUR ACT TOGETHER!

(devon)

ACT! DID SOMEONE SAY ACT!

I CAN ACT!

If only i had seperate parts

my career would be the art

I'd be the STAR of Camelot

(devon)

you'd be the half that the whole world forgot!

(devon)

if i didn't have you

(cornwall)

I should be so lucky!

(devon)

If i didn't have you!

(cornwall)

Oh wait you'd be dead!

(both)

Oh what i could be if there was only me  
o what i'd do if i didn't have you!  
o what i'd do if i didn't have you!

(devon)

TRAPPED! OH TRAPPED!

(cornwall)

Stuck here with you for 500 years

(devon)

Oh dear it's left to count

(cornwall)

if you had gotten me a good lawyer

i would've split 400 years ago

(devon)

Now listen here pal, i didn't come here to be insulted

(cornwall)

Oh? where do you usually go?

(devon)

I'd be a fire breathing lizard

(cornwall)

I'd be one high flying wizard!

(devon)

you'd be nothing without me

you'd be extinct

you'd feast to be

(cornwall)

I'm so tired of you nagging

(devon)

I'm so tired of your bragging

(cornwall)

haha without me you'd have no brain!

(both)

with which to think!

(both)
