Lovher:

Verse 1

A nigga just got paid

its friday night

all my homies in the party and we doing it right

locking down to my niggaz at my left at my right

cuz my people came to party till the early light

and then it begins

niggas all up in my face

and then it begins

playa playa no time to waste

and then it begins

playa playa put his hands on my waist

and then it begins

so I look him straight dead in his face

and said uh

chorus

you dont know me

you dont really know me

you say im sexy

but you really wanna sex me

would you like to see me on my back

would you like to see me lick your neck

would you like to see me soaking wet

would you like to hit it from the back

would you like it if i made you mine

you could do it to me all the time

would you like if it was only sex

I dont think you' re ready for me yet

Lovher:

verse 2

my name is buttha baby serenade

bomb jiggy jiggy and you call her miss thang

take your eyes of my titties cause you know i got
dumps

and you know that its buttha baby best believe it

and then it begins

playa playa pulled out the knot

and then it begins

playa playa

tried to blow up my spot

and then it begins

playa playa wanna see what i got

and then it begins

you got the money but you cant get the twat

beacause I

chorus
