Now the day is done
And I feel so afraid I'm all alone
'Cause you have gone away
All I have is memories
Of silver and gold
Ain't it blue without you

Two years did we share
And our love grew in time
I felt so strong
'Cause those years were so fine
All I have is memories
To help see me through
Ain't it blue without you

Lalalalala - Ain't it blue without you

Now the day is done
And I feel so afraid I'm all alone
'Cause you have gone away
All I have is memories
Of silver and gold
Ain't it blue without you

Two years did we share
And our love grew in time
I felt so strong
'Cause those years were so fine
All I have is memories
To help see me through
Ain't it blue without you

Now the day is done
