There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine
There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine

My needs, are set within my heart
We can get along
Show me where you are, are now
I need some bit of inner soul
I know you, you can make me good yeah-yeah
So now, there's nothing I can do but to tag along
Knowing where you are, are now
Slow down, I need to be with you
Take me to, take me to your heart

There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine
There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine

Hey tell me, that you never dreamed of love in your
heart
I could say it was a lie
Come close, and take me in your arms
I know you, you can make me good yeah-yeah
So now, there's nothing left to do but to tag along
Knowing where you are, are now
Slow down, I need to be with you
Take me to, take me to your heart

There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine

There's something, inside me, I need to, set it free
Say that you'll be mine
It's nothing, to worry, I need you, only for me
I know you'll be mine.....
