Yeah yeah, I've heard it all before
It's not what you think it is
No, It's not like this, it's not like that
Well I've had enough
You must think I'm ignorant or something
Cor blimey, how many other times you been doing this
then
Well we're though
Look, how pathetic
God, he's been out for 3 nights, not coming home and
in
I'm gonna talk to this guy before I cry my eyes out
Yeah Yeah, I've heard it all before
It's not what you think it is
No, It's not like this, it's not like that
Well I've had enough
You must think I'm ignorant or something
Cor blimey, how many other times you been doing this
then
Well we're though
Stop right there, don't you go no far
Don't you dare get back in that car
I'm fed up and I want to talk
So listen up or I'll hit that horn
Beep beep
Hit it beep beep
Beep beep
Hit it beep beep
Tell me something and tell the truth
I felt that girl in the car with you
Is she the reason you don't come home
Is she the reason I'm all alone
Beep beep
Hit it beep beep
Beep beep
Hit it beep beep
Yeah Yeah, I've heard it all before
It's not what you think it is
No, It's not like this, it's not like that
Well I've had enough
You must think I'm ignorant or something
Cor blimey, how many other times you been doing this

then
Get out of that car - beep beep
Hit it beep beep
Get out of that car - beep beep
Hit it beep beep
Get out of that car - beep beep
