I like Johnny and Jimmy, you know
I like Johnny and Jimmy and Tommy, Timothy
I like Johnny and Jimmy, you know
I like Johnny and Jimmy, how many boys

Had a dream last night you see
I don't know how this could be
There was Johnny, Jimmy, Tommy, Timothy
They were all round me in my pleasure...
Just think how, how a girl could feel
Just think how, how exciting it could be
When so many boys put their hands on my body
How much love love love love that could be

Boys boys boys in my bed bed bedroom
Boys boys boys how many many many many
Boys boys boys in my bed bed bedroom
Boys boys boys how many many many many boys
Oh yeah

Let me think about my dream
In my world of make believe
Now they're Sonny, Lenny and Howie next to me
And we're having fun, every boy is in for me
In my dream, now I have a choice
I can choose from so many many boys
and I tell them just what I want, when I want it
How much love love love love there will be

Boys boys boys in my bed bed bedroom
Boys boys boys how many many many many
Boys boys boys in my bed bed bedroom
Boys boys boys how many many many many boys

I like Johnny and Jimmy, you know
I like Johnny and Jimmy and Tommy, Timothy
I like Johnny and Jimmy, you know
I like Johnny and Jimmy, how many boys

Boys boys boys in my bed bed bedroom
Boys boys boys how many many many many
Boys boys boys in my bed bed bedroom

Boys boys boys how many many many many
Many many many many many many many many boys
