Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
Doo whop doo whop doo whop
Doo whop doo whop d-doo whop

repeat the chorus x 4

Baby you know it you have to do what is good for me
and not what's good for you
Baby I said it it feels so good just to give to me the love
you want for you
Honey get ready the time is right as we both can see
the reason I need you
Honey believe it you have to do what's good for me
and not what's good for you

Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
Doo whop doo whop doo whop
Doo whop doo whop d-doo whop

Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
Doo whop doo whop doo whop
Doo whop doo whop d-doo whop

(love to me now, oh)

Baby you feel it you have to do what's right for me 'cos
that's what's right for you
Baby admit it the time is right to make love to me and
I'll make love to you
Honey get ready the lights are low and your here with
me the only thing to do
Honey believe it you have to do what is right for me
'cos that's what's right for you

Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
Doo whop doo whop doo whop
Doo whop doo whop d-doo whop

(love to me now)

Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
Doo whop doo whop doo whop
Doo whop doo whop d-doo whop
(love to me now)

Baby just tell me that you want to believe me
Baby just tell me if you're wanting to love me
Baby just tell me that you want to believe me
Why don't you tell me if you want to make love to me
now

Oh yeah, ooh-oh
If you make love to me now
Oh yeah, ooh-oh
If you make love to me now
