Oh baby you see the light  
Please show me the way to go  
Night time is so far away  
Oh baby believe in me

I want to love - oh baby see the light  
I want to love - please show me the way to go  
I really want to love - night time is so far away  
I want to love - oh baby believe in me

In the day  
I just can t concentrate  
On Anything  
At all  
Yes my mind  
It just slips away  
To the night time  
With you

Yes my mind  
It just slips away  
To the night time  
With you
